

## Our GDPR Commitment

Kate John Associates Limited are committed to ensuring the security and protection of the personal information that we process, and to provide a complaint and consistent approach to data protection. We have always had a robust and effective data protection program in place which complies with existing laws and abides by the data protection principles. However, we recognise our obligations in updating and expanding this program to meet the demands of the GDPR and the Data Protection Bill.

We are dedicated to safeguarding the personal information under our remit and in developing a data protection regime that is effective, fit for purpose and demonstrates an understanding of, and appreciation of the new Regulation. Our preparation and objectives for GDPR compliance have been summarised in this statement and include the development and implementation of new data protection roles, policies, procedures, controls and measures to ensure maximum and ongoing compliance.
